**State of Utah Unified Funding Outcomes
(may not reflect exact FY18 state performance measures)**

Street Outreach

- Number of new encounters
- Percent of participants that have been assessed as vulnerable
- Exits to an emergency shelter, safe haven, transitional housing or permanent housing destination
- Percent of enrolled clients who have been engaged
- Percent of enrollments from a place not meant for habitation

Permanent Supportive Housing

- Percent of adults who gain or increase employment or non-employment cash income
 - Percent of adults who gain or increase income from employment
 - Percent of adults who gain or increase non-employment cash income
- Percent of participants enrolled in mainstream benefits
- Percent of participants exiting to or retaining permanent housing
- The extent to which persons who exit homelessness to permanent housing destinations return to homelessness
 - Percent of households returning to homelessness within 6 months of exit
 - Percent of households returning to homelessness within 6 to 12 months of exit
 - Percent of households returning to homelessness within 12 to 24 months of exit
- Frequency of SPDAT assessments for PSH participants and entered into HMIS
 - The schedule for SPDAT assessments is:
 - Within 2 days of move in
 - On or about 30 days
 - On or about 90 days
 - Quarterly thereafter
 - Anytime there is re-housing or major case plan change
- Percentage of those who decrease their acuity based on SPDAT assessments throughout enrollment

State of Utah Unified Funding Outcomes
(may not reflect exact FY18 State Performance Measures)

Emergency and Domestic Violence Shelters

- Length of stay (Current FY average length of time homeless)
- Percent of households served receiving an assessment using an approved assessment tool
 - Percent of households assessed within first 14 to 30 days of shelter stay
- Number of households existing to permanent housing

Transitional Housing

- Percent of adults who gain or increase employment or non-employment cash income
 - Percent of adults who gain or increase income from employment
 - Percent of adults who gain or increase non-employment cash income
- Percent of participants enrolled in mainstream benefits
- Percent of exits into permanent housing
- Average length of stay
- The extent to which persons who exit homelessness to permanent housing destinations return to homelessness
 - Percent of households returning to homelessness within 6 months of exit
 - Percent of households returning to homelessness within 6 to 12 months of exit
 - Percent of households returning to homelessness within 12 to 24 months of exit

Rapid Rehousing

- Percent of exits into permanent housing destinations
- The extent to which persons who exit homelessness to permanent housing destinations return to homelessness
 - Percent of households returning to homelessness within 6 months of exit
 - Percent of households returning to homelessness within 6 to 12 months of exit
 - Percent of households returning to homelessness within 12 to 24 months of exit
- Cost per client served
- Percent of adults who gain or increase employment or non-employment cash income
 - Percent of adults who gain or increase income from employment
 - Percent of adults who gain or increase non-employment cash income
- Percent of participants enrolled in mainstream benefits
- Length of homelessness prior to entry (enrollment to move-in date)
- Average length of assistance for moved-in participants
- Percent of enrollments missing move-in date
